

The magnificent JIS Arts Centre opened in October 2011 and is the largest of its kind in Brunei, consisting of an impressive theatre, internationally-engineered acoustics and a sophisticated auditorium. It also boasts a spacious foyer, an art gallery and a large dance studio, in addition to fully comprehensive lighting and audio-visual systems. The backstage dressing rooms are luxuriously fitted to provide the necessary amenities for performers.

The Arts Centre facilities provide rehearsal spaces and performance opportunities in a professional environment. The surrounding landscaping promotes tranquillity, harmony and hopefully inspiration for musicians, artists and performers.

Music and the Arts are a highly valued part of life at the school and The Arts Centre is at the heart of public performance, providing an authentic sense of the professional stage.

Achieving Excellence

AUDITORIUM

JIS Auditorium is a state of the art auditorium in Brunei. With its wonderful acoustics, it is a perfect venue for orchestral and choral concerts, theatrical performances and solo performances that can easily be adapted for performances of different sizes.

It can also hold conferences, corporate seminars and award ceremonies.

The auditorium can accommodate 725 people and 19 VIPs.

FOYER

The foyer is an open area that can host smaller musical events, presentations, dinners, open house events, etc.

It can accommodate up to 200 people in theatre style or around 23 round tables in the foyer and art gallery areas.

CONFERENCE ROOM

This venue is perfect for meetings and smaller conferences. The room can be set up according to individual specification.

It can accommodate up to 200 seats in theatre style.

ART GALLERY

The art gallery is a space for the exhibition of art paintings, drawings, objects, designs, etc.

It's also a place to showcase emerging artists' art works creating awareness among the communities.

It links to the foyer so it can be used together with the foyer space for a function.

DANCE STUDIO

The dance studio on the first floor has a sprung wooden floor, wall to wall mirrors and barre, making it an ideal venue for actors and dancers to receive instruction or rehearse for performances.
