## THE PLACE FOR THE ARTS IN BRUNEI

### **ART GALLERY, EXHIBITION AREA & FOYER**

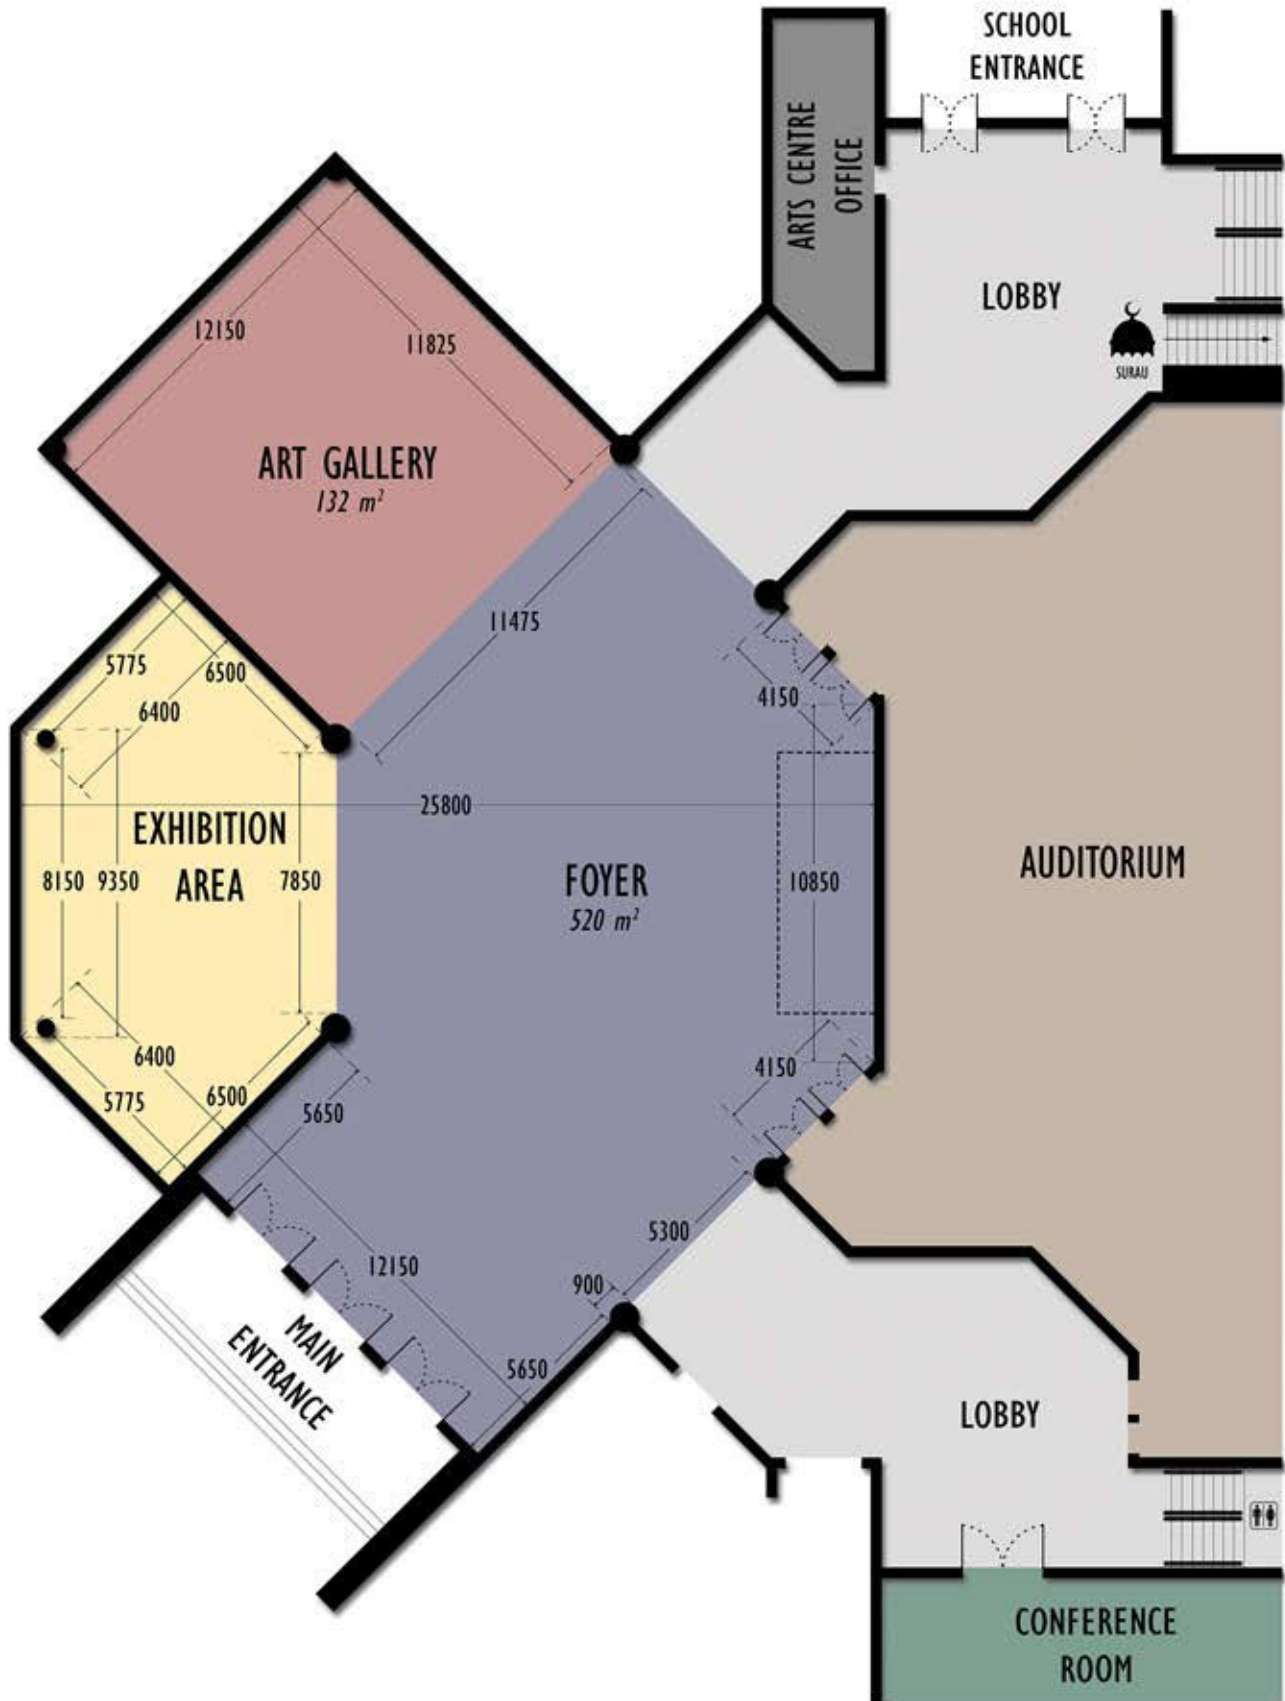

The large spacious Foyer and Exhibition area are perfect venues to host smaller musical events, presentations, exhibitions and dramas. Guests will be able to get closer to the performers creating a more intimate atmosphere.

Jerudong International School utilises this space to host weekly lunchtime concerts, and to showcase smaller dramatic pieces. A changing display of Art and Design pieces, including those by Jerudong International School students, is located in the Art Gallery adjacent to the Foyer and Exhibition area.
